CIT-Look at this camp

Look at this camp,
Isn't it neat?
Wouldn't you think our collection's complete?
Wouldn't you think we're the camp, the camp that has everything?

We've got Jawaks, Utes, and Mohicans
We've got Oscadees, Seniors and more.
You want Marchands, we've got Jeremy!

But who cares, no big deal, we want more...
We wanna be where the CIT's are,
Doing chapel and running store.
Being a camper can be such a bore,
Being a CIT can be so much more.

Old as they come, strong but still young
You only wish you had so much fun.
Wandering free,
Wish I could be,
A C-I-T.

1920

1-9-2-0, 1-9-2-0, 1-9-2-0 Camp Mohawk

Here's to Camp Mohawk,
Great fun at Camp Mohawk,
Here's to Camp Mohawk
The best camp in the land.

Lean On Me

Sometimes in our lives, we all have pain, we all have sorrow
But, if we are wise we know that there is always tomorrow

CHORUS

Lean on me, when you're not strong, and I'll be your friend
I'll help you carry on, for it won't be long till I'm gonna need somebody to lean
on.

Please swallow your pride, if I have things you need to borrow
For no one can fill those of your needs that you won't let show.

CHORUS

If there is a load you have to bear that you can't carry
I'm right up the road, I'll share you're load if you just call me.

CHORUS

Just call on me brother when you need a hand
We all need somebody to lean on
I just might have a problem that you'd understand
We all need somebody to lean on.

Follow Me

It's by far the hardest thing I've ever done to be so in love with you and so alone.

CHORUS

Follow me where I go what I do and who I know
Make it a part of you to be a part of me.
Follow me up and down all the way and all around
Take my hand and say you'll follow me.

It's long been on my mind, you know it's been a long, long time
I've tried to find a way that I can make you understand, the way
I feel about you and just how much I need you, to be there
Where I can talk to you when there's no one else around.

CHORUS

You see I'd like to share my life with you and show you things I've seen.
Places where I'm going to and places where I've been.
To have you here beside me to never be alone and all the time that your with me
we will be at home.

CHORUS

Barges

Out of my window looking in the night, I can see the barges' flickering light.
Silently flows the river to the sea and the barges do go silently.

CHORUS

Barges I would like to sail with you, I would like to sail the ocean blue.
Barges have your treasures in your hold, do you fight with pirates brave and
bold.

Out of my window looking in the night, I can see the barges' flickering light.
Starboard shines green and port is glowing red, you can see them flickering far
ahead.

CHORUS

The Rose

Some say love it is a river that drowns the tender reed
Some say love it is a razor that leaves the soul to bleed
Some say love it is a hunger an endless aching need
I say love it is a flower and you it's only seed.

It's the heart afraid of breaking that never learns to dance
It's the dream afraid of waking that never takes a chance
It's the one who won't be taken, who cannot seem to give
And the soul afraid of dying that never learns to live.

When the night has been too lonely and the road has been too long
And you think that love is only for the lucky and the strong
Just remember in the winter, far beneath the bitter snow
Lies the seed that with the sun's love in the spring becomes the rose.

Tell Me Why

Tell me why the stars do shine
Tell me why the ivy twines
Tell me why the sky's so blue
Tell me oh Mohawk just why I love you

Because God made the stars to shine
Because God made the ivy twine
Because God made the sky so blue
God made oh Mohawk for me and you

I do believe that God above
Created you for me to love
And picked you out from all the rest
To be the one camp I love the best

Day is done
Gone the sun
From the lake, from the hills, from the sky
All is well, safely rest God is nigh.

Are you Listening? (Chapel Song)

Are you listening? Mohawk is calling you,
From the days gone by (*from the days gone by*)
You are part of all of our yesterdays,
Hold your head up high.
Building our tomorrows from the spirit of our past.
Are you listening? Mohawk is calling you,
Answer and your spirit will last (*answer and your spirit will last*)

House At Pooh Corner

Christopher Robin and I walked along under branches lit up by the moon.
Posing our questions to Owl and Eeyore as our days disappear all too soon.
And I wandered much further today than I should and can't seem to find my way
back to the woods.

CHORUS

So help if you can I've got to get back to the house at Pooh Corner by one.
You'd be surprised there's so much to be done.
Count all the bees in the hives, chase all the clouds from the sky.
Back to the days of Christopher Robin and Pooh.

Winnie the Pooh doesn't know what to do he's got a honey jar stuck on his nose.
He came to me asking help and advice and from there no one knows where he
goes.
So I sent him to ask of the Owl over there how to loosen the jar from the nose of
a bear.

CHORUS

Mohawk Fight Song

We're Mohawkers born, and Mohawkers bred,
and when we die we're Mohawkers dead.
So rah, rah, for Mohawk, rah, rah for Mohawk, rah rah, for Mohawk Camp.

We'll find a trail and hike it anytime.
For swimming and canoeing aye, yi, yi for Camp Mohawk and all its sports
We are, we are, we are for camp, camp, camp, camp all the time
And to good health we all will quickly climb
We stand for fair play, square play shish cum bah rah, rah, rah
Oh we're the Mohawk Campers you hear so much about,
The people stop and stare at us whenever we go out.
Oh, as we go hiking, can't you hear the bugle P-L-A-Y
You'll hear them shouting – the girls from Mohawk Camp are on their way.
Each year we come to Mohawk, there's always something new
Most everybody likes it, we hope you like it too.
Oh, as we go hiking, can't you hear the bugles P-L-A-Y
You'll hear them shouting – the girls from Mohawk Camp are on their way. Hey!!

Jet Plane

All my bags are packed, I'm ready to go.
I'm standin' here outside your door.
I hate to wake you up to say good-bye.
But the dawn is breakin' and it's early morn.
The taxis waitin' – he's blowin his horn.
Already, I'm so lonesome, I could cry.

CHORUS

So kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
Cause I'm leavin' on a jet plane
Don't know when I'll be back again
Oh, babe, I hate to go.

There's so many times I've let you down.
So many times I've played around.
I tell you now, they don't mean a thing.
Every place I go I'll think of you,
Every song I sing I'll sing for you,
When I come back I'll where your wedding ring.

CHORUS

Now the time has come to leave yu
One more time, let me kiss you
Then close your eyes I'll be on my way
Dream about the days to come
When I won't have to leave alone
About the times, I won't have to say

CHORUS

Donut Song

Oh I went to the donut shop

To see what I could eat.

I was so so hungry from my head to my feet

So I picked up a donut and I wiped off the grease,

And I handed the lady a five cent piece.

Well she looked at the nickel and she looked at me

And she said “hey, sonny, can't you plainly see,

There's a hole in the nickel and it goes right through!”

I said “Hey, there's a hole in the donut too!

Thanks for the donut, toodle-oo!”

Swimming Hole

Swimming, swimming,

In my swimming hole.

When days are hot,

and days are cold,

In my swimming hole.

Sidestroke, breaststroke, fancy diving too,

Oh wouldn't you like to be with me

In my swimming hole?

(repeat by humming one line, singing the rest, until you hum the whole song.)

I'm A Nut

Sitting on the cold, cold ground.

Everybody steps on me,

That is why I'm cracked you see.

Asked myself out on a date,

Gotta be ready by half past eight.

I'm a nut, I'm a nut, I'm a nut (*knock knock*)

Drove myself to the picture show,

Sat myself in the very first row.

Pirate Ship

When I was 1 I sucked my thumb the day I went to sea,
I climbed aboard the pirate ship, the captain said to me:
We're going this way, that way, forward, backward,
Over the Irish sea,
A bottle of rum to warm my tum,
And that's the life for me...na, na, na...

When I was 2 I tied my shoe the day I went to sea,
I climbed aboard the pirate ship, the captain said to me:
We're going this way, that way, forward, backward,
Over the Irish sea,
A bottle of rum to warm my tum,
And that's the life for me...na, na, na...

When I was 3 I climbed a tree the day I went to sea,
I climbed aboard the pirate ship, the captain said to me:
We're going this way, that way, forward, backward,
Over the Irish sea,
A bottle of rum to warm my tum,
And that's the life for me...na, na, na...

When I was 4 I shut the door the day I went to sea,
I climbed aboard the pirate ship, the captain said to me:
We're going this way, that way, forward, backward,
Over the Irish sea,
A bottle of rum to warm my tum,
And that's the life for me...na, na, na...

When I was 5 I stayed alive the day I went to sea,
I climbed aboard the pirate ship, the captain said to me:
We're going this way, that way, forward, backward,
Over the Irish sea,
A bottle of rum to warm my tum,
And that's the life for me...na, na, na...

When I was 6 I picked up sticks the day I went to sea,
I climbed aboard the pirate ship, the captain said to me:
We're going this way, that way, forward, backward,

Over the Irish sea,
A bottle of rum to warm my tum,
And that's the life for me...na, na, na...

When I was 7 I went to heaven the day I went to sea,
I climbed aboard the pirate ship, the captain said to me:
We're going this way, that way, forward, backward,
Over the Irish sea,
A bottle of rum to warm my tum,
And that's the life for me...na, na, na...

When I was 8 I was late the day I went to sea,
I climbed aboard the pirate ship, the captain said to me:
We're going this way, that way, forward, backward,
Over the Irish sea,
A bottle of rum to warm my tum,
And that's the life for me...na, na, na...

When I was 9 I got in line the day I went to sea,
I climbed aboard the pirate ship, the captain said to me:
We're going this way, that way, forward, backward,
Over the Irish sea,
A bottle of rum to warm my tum,
And that's the life for me...na, na, na...

When I was 10 I started again the day I went to sea,
I climbed aboard the pirate ship, the captain said to me:
We're going this way, that way, forward, backward,
Over the Irish sea,
A bottle of rum to warm my tum,
And that's the life for me...na, na, na...

Morning & Evening Grace

Morning/Evening is here,
The board is spread,
Thanks be to God,
Who gives us bread,
Amen.

Lunch Grace

Oh the Lord is good to me,
And so I thank the Lord,
For giving me the things I need:
The sun and the rain and the appleseed.
The Lord is good to me.
I wake up in the morning,
As happy as can be,
Because I know the Lord will care,
My appleseed will still be there,
The Lord is good to me,
Hallelujah, Amen.
